

REMARKS

This Amendment is in response to the Office Action dated October 2, 2007, in which claims 20-22, 28-30 and 32-36 were allowed, but claims 25-27 were not addressed. Also, the specification was objected to for allegedly not providing proper antecedent basis for the claimed subject matter. With this Amendment, claims 25-27 are amended and the remaining claims are unchanged. Applicant thanks the Examiner for allowing claims 20-22, 28-30 and 32-36.

Claims 25-27, which incorrectly depended from previously canceled claim 1, are amended to depend from allowable independent claim 20. In addition to being amended to depend from allowable independent claim 20, claim 26 has been amended to provide consistency with terms included in 20. Applicant respectfully requests entry of these amendments and allowance of claims 25-25.

On page 2 of the Office Action, the specification was objected to as failing to provide proper antecedent basis for the claimed subject matter. With this Amendment, the specification has been amended in accordance with the Examiner's suggestions. Support for the amendments is present, for example, in FIG. 6 and the originally filed claims.

With this Amendment, the application appears to be in condition for allowance, and favorable action is requested.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
